## Electronic End of Year

To gather data about Regular Year 2015-2016 MEP projects, information will be collected differently this year than in the past years.

There are two parts to End of Term Report (formally the Project Evaluation End-of-Year Report PI-1739).

1) End-of Term Data Verification Report: This is an Excel worksheet that includes pre-populated data specific to your project. You will mark if this data is correct and change any data that is incorrectly reported. There are directions on the first page with several tabs to review.

Please complete the verification process and send back your responses via email.

2) End of Term Narrative Report: The Narrative Report is an online form that can be accessed through a link. Please complete all pages of the Narrative Report and click submit on the final page. The submitted form will automatically be sent to DPI.

The goal of new forms and process is to lessen the work that is required by districts and to ensure better data.

If there are any questions about the forms or process, please contact Jessica Awe (608)264-9324 [jessica.awe@dpi.wi.gov](mailto:jessica.awe@dpi.wi.gov) or Alfonso Zepeda-Capistrán (608)267-2287 [alfonso.zepeda-capistran@dpi.wi.gov](mailto:alfonso.zepeda-capistran@dpi.wi.gov).

In a continued effort from our migrant team at DPI to better serve districts, the paper Project Evaluation End-Of-Year Report is becoming electronic. The EOY form will be sent in an email with a link to fill in narrative questions and a link to an excel workbook to verify data gathered through NGS. The goal is to lessen the burden what information districts need to provide. Look for the EOY email soon!
